Kamal Saleem was in our country working in a terrorist cell to woo vulnerable people in the inner city into becoming practicing Islamists, undermining America, preparing the way to eventually bring in Shariah through Civilization Jihad. However, God broke through Kamal's resistance as He does, by His grace. One of the most striking characteristics in hearing Kamal and spending time with him is a spirit of gratitude and love for God.

Kamal will speak into a variety of issues such as: (1) the political landscape that has opened the way for the Muslim Brotherhood, CAIR, and the Islamists to be infiltrating America. (2) of his heritage and history in Lebanon and of God's hand in bringing him out of Lebanon as a terrorist trying to convert American citizens to Islam. (3) a background of America and how we have been lulled to sleep, of his recent insights gleaned and applications received from speaking in Germany and other parts of Europe, (4) and perhaps the favorite of many - the miracle that God wrought in his own life drawing him out of Islam to the amazing grace of his salvation.

You are needed not only to understand the times, but to know what to do! Come and do your best to bring others who may be unaware regarding the realities of the fight for Constitutional America.
